

PLEASE Donate Stamps And Holiday Cards

What We're Doing:

Redeem-Her is a collective of women who have been in prison. As we strive to become valued members of our communities, we also look back to serve the women who are where we have been. This holiday season, Redeem-Her will provide hundreds of indigent, incarcerated women in New Jersey with four blank, stamped holiday cards that they can mail to their children and family members.

Why It's Important:

This project is critically important because often by the time a woman's choices and behaviors lead her to prison, she has estranged herself from her family and has been emotionally and physically absent from her children. Hearts are hurt, relationships are broken and walls are built. Often the women are genuinely remorseful and desire family reconciliation, but don't know how to take the first step. The holidays present a unique opportunity for them to approach their children and families in a non-confrontational way through a holiday card. Each pack of cards comes with a publication on restoring family relationships that is written specifically for people in prison.

How You Can Help:

Redeem-Her is asking for donations of holiday cards and postage. If you have extra cards from years past, we can get them out of your attic and put to good use. Or, please consider making a financial donation of \$41 for the purchase of 100 postage stamps.

We are a federal tax-exempt organization and your donations are 100% tax deductible.

Thank you for partnering with us.
