**This holiday season, a lot of children will go without.  
Some of these will be  
children whose parent is in prison.**

Redeem-Her is a non-profit collective of women who have been in prison. Many of us are mothers, and we have lived with the heartache of the hurt we have caused our own children. There is no way to make up for the past, but it is possible for us to impact the children who are suffering now.

The *Children of Promise* project provides holiday gifts to children being impacted by incarceration today. When you sponsor a child, you will receive the child's name, age, gender, photo and a statement of their circumstances with a wish list. Purchase a gift for your child, leave it unwrapped and drop it off in Point Pleasant Beach, Trenton, or Montclair before December 10th. Or if you are out of the area, you can still sponsor a child with your financial contribution. We will have a volunteer shopper purchase and wrap a gift on your behalf.

**Please email [stacey@redeem-her.org](mailto:stacey@redeem-her.org)  
or call 732-597-8636  
to sponsor your child today.**

**Thank you for partnering with us in this very important project.**
