Help from women who've been there ...

In an effort to provide female offenders with a sense of dignity, Redeem-Her provides *Your Closet*. The transition from

prison to home is a difficult one, one in which the newly-released woman must recreate herself into a woman who respects herself and thus is respected by the community she enters ... a woman with dignity. *Your Closet* meets the woman's practical needs by providing clothing and personal hygiene needs, while at the same time giving her a tangible demonstration that the community-at-large welcomes her home and is anxious to see her integrate into a productive lifestyle. We all know

that when you look good, you feel good ... instilling self-confidence is at the heart of our project.

Your Closet is currently accepting donations of the following items:

- **New and gently used women's clothing and shoes (all sizes)**
- **Intimate apparel (such as panties, bras, slips and stockings)**
- **Personal hygiene items (toothpaste, shampoo, lotion, soap, deodorant, makeup, etc)**
- **Stationary supplies (paper, envelopes, greeting cards, pens)**
- **Books of stamps**

Excess inventory or clothing not appropriate for distribution may be sold on Ebay.com in order to raise additional funds for the organization.
